Rich - we've been putting pressure on BSS to commit to the work this month. They have a crew ready. Please let us know if July is not possible so that we can have the crew work on another priority

Hi Rich,

Following up on Marisol's question from last week. What's the status of the BID scheduling the tree removals on Cherokee? Has this been scheduled for July?

Thanks,

Hi Yalin,

I am CCing Rich Sarian with the Hollywood BID. If you recall, when we last met you committed BSS crew to help facilitate a project at 1718 Cherokee -- the BID is planning to remove 2 of the 4 trees from this location, and BSS committed to use a weekend crew to root prune and replace the sidewalk.

When we last spoke, you said this would be possible in July. Since it's almost July, I wanted to check in.

Additionally, I believe Rich has some questions about how to make sure the BID is set up and ready to perform the tree removal -- I think he was having some difficulty with the permit. Rich, please advise.

I will be out of the office next week but I'm CCing Marisol here in my absence. Please let me know.

Thank you,
